

# Airport precinct upgrade – Weekly update

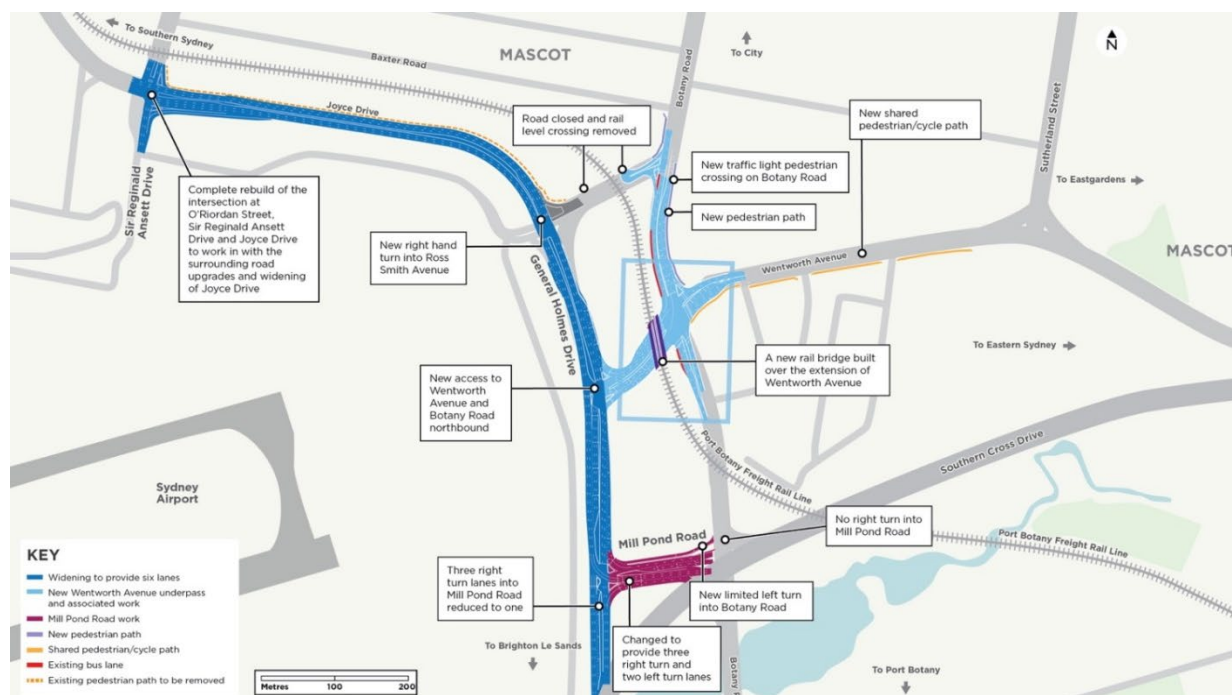

Week commencing Sunday 2 December 2018

## Airport East project work includes:

- Earthwork, installation of new pavement, line marking and traffic signals on Joyce Drive
- Service identification and relocation, including excavation along Joyce Drive
- Service identification and relocation, including trenching and light pole removal and installation along General Holmes Drive
- Roadwork, including pavement, traffic barrier installation and concrete median removal on General Holmes Drive
- Identifying underground utility locations and pavement investigation along Botany Road, Botany Lane, Mill Pond Drive, Wentworth Avenue, Hardie Street, Beresford Street, General Holmes Drive and Joyce Drive
- Construction work at the intersection of Botany Road and Wentworth Avenue, including the installation of drainage
- Construction work inside the site compound area on Wentworth Avenue and along the work areas on Botany Road and Wentworth Avenue including trenching and excavation
- Kerb and service relocation along Botany Road, near Bronti Street
- Construction work, including piling and excavation at the new rail bridge location near Botany Road
- Use of the storage site in Dransfield Avenue
- Construction work, including access, spoil and vegetation removal from Mill Pond Drive
- Road work, including pole installation and signal trenching on Mill Pond Drive
- Operating and monitoring groundwater systems 24 hours 7 days a week
- Delivery of construction vehicles and equipment to the work areas.

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week and extended hours on Saturday. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

## Airport East Precinct Upgrade

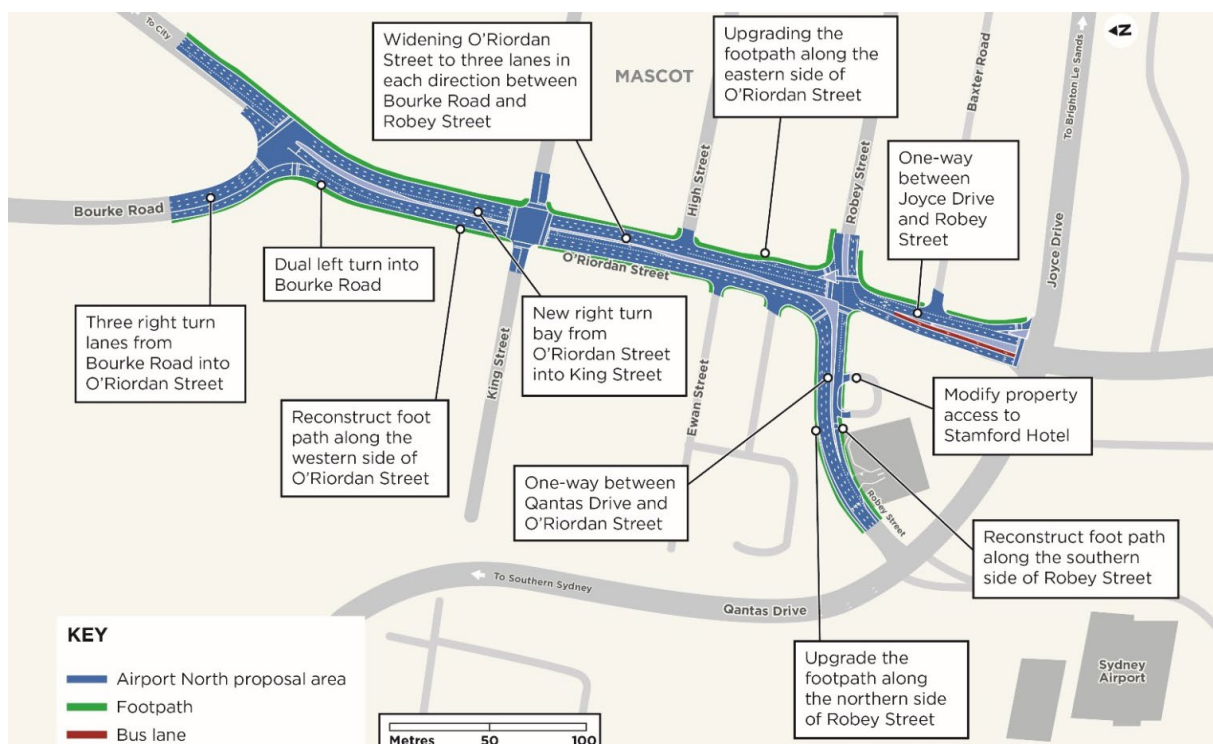

## Airport North project work includes:

- Traffic management to allow for roadwork, including sign and traffic barrier installation and temporary traffic changes along Robey Street and on O’Riordan Street between Bourke Road and Joyce Drive
- The pedestrian footpath is closed on the eastern side of O’Riordan Street between High Street and Robey Street – pedestrian diversions are in place
- Service identification in O’Riordan Street, High Street and King Street. This involves the use of a vacuum truck to safely identify the locations of the underground services
- Service relocation including excavation and trenching across and along O’Riordan Street near Bourke Road, Ewan Street, Robey Street and Baxter Road
- Removal of kerb and installation of vehicle access ramps on O’Riordan Street, near High Street
- Removal of concrete median on O’Riordan Street, south of Robey Street
- Removal of concrete median on Robey Street
- Pavement work including asphaltting
- Ongoing pedestrian changes and detours during construction work, please follow direction of signage
- Removal of tree stumps and topsoil in work areas along O’Riordan Street
- Installation of environmental controls
- Use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials including site sheds
- Delivery of construction vehicles and equipment to the work areas.

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week, our night working hours are **9pm to 5am**. Not all work during this time will be noisy

## Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment.

We will continue to make every effort to minimise the impacts to the local community.

**If you have any questions about the work on either project**, please contact our delivery partner, John Holland Group on **1300 862 844** or [comms.airportprecinct@jhq.com.au](mailto:comms.airportprecinct@jhq.com.au).

For more information on our projects, visit [www.rms.nsw.gov.au/sydneyairport](http://www.rms.nsw.gov.au/sydneyairport).

Thank you for your patience during this important work.
