# 2007 Premier's NSW Export Awards

## Licence to Export Excellence

The 2007 Premier's NSW Export Awards is an integral part of the drive by the Australian Institute of Export and the Government to lift Australia's export performance. The NSW Export Awards showcase the State's top exporters, to promote them as role models and to encourage other businesses to strive for success in world markets.

We encourage all those involved in Export to come along to the Awards Ceremony on the 18th October where the NSW Winners will be announced. This is the major event on the NSW Export calendar and it is a great opportunity to celebrate export success, as well as to network with the New South Wales export community.
