STOP WORK MEETING

Dear valued Clients,

Please be advised that on Thursday 20th September, Patrick Terminals are proposing a Stop Work Meeting from 1.00pm until 3.00pm.

As a direct result of this "Stop Work Meeting", we will experience extended delays on both Thursday afternoon and Friday morning at Patrick's for all pick-ups, and could therefore incur additional charges.

TOLL International trusts that you understand the situation is beyond our control, and that we will endeavour to minimise any delays.

If you have any questions or if we can be of any further assistance, please do not hesitate to contact either your Customer Service Representative or myself.

Yours Faithfully
TOLL International
