Sydney Freight Terminals Christmas Holiday Operations

Please be advised of the following changes to the Sydney Freight Terminals' hours of operation over the Christmas holiday period.

The second Sydney Freight Terminal (SFT2) at Burrows Road Alexandria will be closed from 24 December until early January 2008. The date of reopening will be advised closer to time.

There are no changes to the operating hours of the main Sydney Freight Terminal at the airport.

Finally, I would like to take this opportunity, on behalf of everyone at the Sydney Freight Terminals, to offer our best wishes for a safe and happy festive season to you, your staff and families.

Yours sincerely,
