

AaE Improved Notifications for all Forwarders

AaE are improving the transparency of information for all forwarders regarding the status of import freight, handled at any of the AaE facilities throughout Australia.

By completing the configuration advice notice below & faxing back to CCN, forwarders can select the notification method(s) for their organisation and staff.

Please Note: The email notifications will be sent to the email address provided below.

Please select any of the below options to be configured by ticking the box & fax to 02 9525 3809
