Sydney Freight Terminals - Christmas Holiday Operations

Please be advised of the following changes to the Sydney Freight Terminals' hours of operation over the Christmas, Boxing Day and New Year's Day holidays.

Sydney Freight Terminal 1

Imports

The import warehouse will operate between the standard hours of 0500 – 2300 on Christmas, Boxing Day and New Year's Day holidays.

We will not operate early time-slot deliveries over the Christmas, Boxing Day and New Year's Day holiday period. Early time slot deliveries will recommence at a time to be advised.

If you need to collect an urgent shipment outside of these hours, you may call the Duty Manager on 02 9691 6733 and they will make arrangements to release the freight, subject to normal Australian Customs approval.

Qantas Freight will once again offer free storage on both Christmas day (25 December) and New Year's Day (1 January) in addition to the normal 24 hour, free storage period offered to customers.

This means if a shipment arrives on 23 December, the shipment will be stored free of charge on both 24 and 25 December with storage charges commencing on 26 December.

Exports

The export warehouse will operate between the hours of 0500 – 2100 on Christmas, Boxing Day and New Year's Day holidays.

Sydney Freight Terminal 2

The second Sydney Freight Terminal (SFT2) at Burrows Road Alexandria will be closed from 24 December until Monday 11 January 2010.

If you have any enquires please do not hesitate to contact the SFT1 Duty Manager on 02 9691 6733.

Finally, I would like to take this opportunity, on behalf of everyone at the Sydney Freight Terminals, to offer our best wishes for a safe and happy festive season to you, your staff and families.

Yours sincerely

Frank Ridolfo
