1000s OF NEW SOLUTIONS - ALL UNDER ONE ROOF

Ensure workplace safety is a priority for your business. Stay on top of new technology and services and learn about the latest developments for 2009 just by visiting the Show. With so much to see and so many first time exhibitors all showcasing the very latest in OHS products and solutions you'll find everything you need for your workplace.

NEW DEDICATED FEATURE AREAS

The Show's dedicated Feature Areas allow you to find what you need *fast*. Alongside feature areas for Automated Machine Safety, Building and Height Safety, Electrical Safety, Training and Technology and Corporate Health you'll discover the NEW area dedicated to Fire and Security. Uncover new solutions for equipment, training, fire retardant fabrics and security...just to name a few!

FREE INTERACTIVE DEMONSTRATION STAGE

The free live Demonstration Stage provides visitors with an excellent opportunity to test and try the very latest products, solutions and technology presented by the Show's leading exhibitors. See how new products for building & construction, personal protective equipment, fire safety, electrical safety and more can improve safety in your workplace.
