Subject: Terminal Fee – revision

Dear Brian,

I wish to formally advise all AFIF members of the impending change to the AaE International terminal fees, effective Monday 1st June 2009.

The import delivery fee will increase as detailed below

Current

Loose shipments - \$0.30c/kg
Minimum fee per shipment - \$33.00

New

Loose shipments - \$0.35c/kg
Minimum fee per shipment - \$35.00

This change is reflective of the increased costs associated with conducting international cargo handling services within Australia and the previous terminal fees were amended over 18 months ago in November 2007.

It would be appreciated if you could advise all your members accordingly, at your convenience.

Yours faithfully,

A handwritten signature in blue ink that reads 'Robert Brown'.
