Our value proposition...

Our global serviceability and high calibre of customer service allow clients to focus on their core business whilst still being able to keep in tune with the FX market:

- Quality advice on FX risk management and hedging strategies
- Numerous benefits across the Procure-to-Pay / Order-to-Cash processes
- No obligation FX audit / health check of current process

Risk Management Tools

- Use Forward Exchange Contracts (FEC'S), Limit & Stop Loss Orders to help manage your foreign exchange risk

Convenience

- 24 hour global serviceability online or over the phone via one local number
- Works seamlessly in conjunction with existing banking relationships

High Tech – High Touch

- Secure web based online dealing platform, no software to install, no charges to set up or maintain a trading facility
- Access, authorise, review & manage your payments from anywhere in the world (even from your PDA)
- Dual authorisation and / or multi-user access levels available
- Daily & weekly market commentary, live charts, email & sms rate alerts
- Payment notification advice to beneficiaries

If you would be open to having a brief discussion to ascertain if we were in a position to add any value to your business please feel free to contact me directly:
