P&O Trans Australia LCL Time Slot Trial

As of 1st November 2010, P&O Trans Australia will begin to *trial* an LCL Time Slotting operation.

The hours of operation for the LCL rank, being both **Import** and **Export** will be 5.30am – 4pm.

There will be a dedicated phone line to the Time Slot Allocator (02 9316-3314) which will be open from 9am – 3pm, **Monday to Friday** and slots may be booked up to 3 days in advance.

Only 3 slots per hour will be allocated per carrier.

Time Slots will commence processing 30mins prior to the beginning of the slot and will cease processing 30mins prior to the end of their time slot, eg: if a carrier has been allocated a 6am time slot (serviced between 6am – 7am) we will commence processing at 5.30am, the carrier *must* be in the gate and processed by 6.30am.

To book a slot they must advise the following:

- Transport Company
- Vehicle Registration
- Total pieces (being collected or delivered, or a total for both if collecting and delivering at the same time)
- Total cube (same as above)

Upon receipt of the above information, they will then be issued with a slot number.

To ensure the transport company's time slot is processed *successfully* they will require the following:

- The registration is the one as booked against the slot
- They must have the correct paperwork and the time slot number they were allocated at time of booking as paperwork can not be emailed/faxed.
- The cargo is clear in ICS
- If they do not arrive within the time slot timeframe (30mins prior to end of time slot)

AQIS inspections will still need to book time slots as per the above procedures, although, they will clearly need to be booked between **7am** and 9am to ensure they arrive when AQIS are on site.

THE LCL TIME SLOT ALLOCATOR WILL BE TAKING BOOKINGS FROM WEDNESDAY 27TH OCTOBER 2010 TO COMMENCE ON MONDAY 1ST NOVEMBER 2010.

TO BOOK LCL TIME SLOTS CALL (02) 9316-3314 BETWEEN 9AM – 3PM, MONDAY TO FRIDAY.
