Toll Dnata would like to announce that Mr. Stephen Maloney has been appointed to the role of Western Australia Manager, Toll Dnata. This is a new role for Toll Dnata in Western Australia as our business continues to grow and develop.

Reporting to Mr. Maloney, Jenny Gilligan will remain as Passenger Terminal Operations Manager for Perth Airport, supported by Tony Tonkin as Passenger Services Manager and Robert Montgomery as International Ramp Manager.

The appointment of Stephen coincides with the opening of the Toll Dnata cargo terminal in Perth Airport scheduled for the 2nd quarter of 2010.

Toll Dnata will be taking over the WorldLink site at Affleck Drive and this will become our CTO operation.

Since joining Toll Dnata in 2007, Steve has made significant contributions to the Sydney Cargo Terminal & Ramp operations in his position of Cargo Terminal & Ramp manager.

Steve will be replaced in Sydney by Mr. Peter Breuer as Toll Dnata Cargo Terminal and Ramp Manager. Mr. Breuer brings extensive airline and airport experience to the role
