## Update to Industrial Action

### Who is affected by this notice?

This notice is for all AQIS clients.

### What's the issue?

The Department of Agriculture, Fisheries and Forestry is continuing negotiations with the Community and Public Sector Union (CPSU) and staff on a new Enterprise Agreement for the next three years.

**The CPSU has advised the Department that a ban of selected work practices will take place from Friday 26 August to Friday 2 September 2011.**

The department is aware of impacts industrial action may have on our service delivery. It is expected that operations will continue during periods of industrial action.

We are continuing negotiations with the CPSU in the hope that an agreement can be successfully concluded and further industrial action can be avoided.

The Department will be minimising the impact on our clients, stakeholders and staff. For any operational enquiries please contact the Department on +61 2 6272 5217.

We will keep you informed of any further developments.
