

## Managing a Major Safety Incident - *are you prepared?*

When a major safety incident occurs, the implications for an organisation can be serious – from the threat of prosecution under relevant laws to adverse media attention. Often the way in which an organisation responds to and investigates that incident can significantly improve the outcome.

This workshop will explore the legal framework, roles and responsibilities of those involved, managing communications, the rights of third parties, investigation techniques, interviewing and preparing an investigation report.

Our ***Managing a Major Safety Incident*** one-day program is being offered on the following dates:

Brisbane: 29th August  
Melbourne: 12th September  
Perth: 13th September  
Sydney: 14th September

The cost of this workshop is \$850 +GST. Payment can be made by MasterCard, Visa or cheque. The registration form attached is a valid tax invoice.

**For further information and registration please see the program flyer:**
