

Future of Freight & Export in your State!

The Sea Freight Council of NSW & the Australian Institute of Export invite you to an industry information evening - an opportunity to hear about issues affecting the industry, the 2006 Export Awards and a great chance to network.

Virginia Judge, MP, Current Member of the Legislative Assembly, Member for Strathfield, Member of Australian Labor Party

Future of NSW Freight and Maritime Logistics

Professor David Hensher, Director, Institute of Transport and Logistics Studies. The presentation will include discussion on competing supply chains for port business, landside issues (congestion) & opportunities in supply chain for PPPs for roads with Federal funds (Auslink).

Premiers 2006 NSW Export Awards Overview

Peter Mace, General Manager NSW, Australian Institute of Export. A briefing on the 2006 Premier's NSW Export Awards. The Awards offer an opportunity for exporters to be recognised for their achievements.
