

# NSW Air & Sea Freight Councils - NSW Freight Projects Update

*The Air & Sea Freight Councils of NSW invite you to an industry information/workshop evening - an opportunity to hear and be heard about issues affecting the industry and NSW, also a great opportunity to network.*

**Sydney Airport and Precinct Security** – Presentation and discussion of draft report

**Air Freight Movements – Servicing Sydney and Australia** – Presentation and discussion of interim results. Review of proposed questionnaire

**An “Open Access” Intermodal Terminal for Metropolitan Sydney** – Possible management and organisational models

**Environmental Sustainability** Business Partnerships, Sustainability Programs, the NSW Department of Environment and Conservation

**Benchmarking Supply Chain Management** - Assess Stage 1 of your logistics performance, at no cost. Compared to the best in your class

**Also hear from:**

**Mike O’Neil** – Chairman, Air Freight Council NSW,  
Manager - South Pacific Perishables & Livestock, DHL Global Forwarding

**Geoff Farnsworth** – Chairman, Sea Freight Council NSW,  
Partner , Norton White Lawyers and Notaries

**Date:** Wednesday 6 December 2006

**Time:** 5:00pm Cocktails – 8:00pm

**Cost:** Free event

**Venue:** Trade and Investment Centre  
Level 47, MLC Centre, 19 Martin Place,  
Sydney
