

Lloyd's List DCN presents "**Transporting Dangerous Goods,**" to be held on **19<sup>th</sup> & 20<sup>th</sup> September 2005** at the Carlton Crest Hotel Sydney.

This two day conference will look at and beyond regulation, and address some of the practical challenges involved in the movement of dangerous goods. The program offers an excellent range of speakers from government and industry, providing contributions from across the road, rail, maritime and air freight sectors.

**John Borig**, Principal Consultant Dangerous Goods, **Noel Arnold & Associates** will open the conference with an overview of the new national dangerous goods regulation examining in detail the compliance issues and significant changes in legislation.

The conference will also look at the implications for specific transport modes.

**Paul Steele**, Dangerous Goods/Cabin Safety Specialist, Air Transport Operations Group, **Civil Aviation Authority** will provide an in-depth look at specific regulatory implications for transporting dangerous goods by air. Likewise, **Brad Groves**, Manager Marine Standards, Maritime Safety & Environmental Safety, **Australian Maritime Safety Authority**, will give an overview of the challenges and developments in maritime regulation.

A separately bookable workshop on 21<sup>st</sup> September will examine, in detail, the draft 7<sup>th</sup> Edition of the Australian Dangerous Goods Code. John Borig, Noel Arnold & Associates will direct this workshop which aims to clarify the key changes in regulation and identify ways in which industry can prepare for its introduction. John is a member of several Dangerous Goods Standards Committees and has worked with the National Transport Commission to redraft the Australian Dangerous Goods Code 7<sup>th</sup> Edition.

Other speakers will include:

- **Captain Brett Whiteoak**, Regional Manager – Australia, BP Shipping

- **Steve Klaric**, Principle Engineer Dangerous Goods, Land Transport & Safety – Policy Advice, Queensland Transport
- **David Williams**, OAM, Chair, Security Steering Group, Australian Logistics Council
