

INNOVATE COLLABORATE 2006 - REGISTER NOW!!

Website: <http://www.logisticsgroup.com.au/ic06/>

There's a week to go to register for what promises to be a stimulating collaborative event focusing on innovation and technology uptake in the freight logistics chain.

"Innovate Collaborate 2006" will bring together freight owners, freight service providers and technology vendors to explore how the freight logistics industry can build its opportunities to innovate and collaborate.

- What do the freight owners want from their freight service providers? . hear from those who pay the bills (the customers)!!
- Where are collaboration and innovation working in supply chains, and what have been the benefits?
- Who's doing what? . & who's the best??!!

When: 8.00am to 5.30pm, Monday, 9th October 2006

Where: The Grand Prix Building, Aughtie Drive, Albert Park

**Cost: LMG and VTA members: \$275.00 /
Non-VTA members: \$385.00**

(Includes morning & afternoon teas, lunch and a drinks function to close)

Senior figures from industry & government will deliver significant views on innovation & collaboration. In addition, there will case study presentations, round-table discussions and practical demonstrations.

How do I register?:

Registration details are available on-line at:

<http://www.logisticsgroup.com.au/ic06/>

The event is proudly brought to you by the Logistics Managers Group (LMG) of the Victorian Transport Association (VTA). Comprising some of the top freight customer companies in Australia, the charter of the LMG is to further the development of logistics practices amongst company members.

We also recognise the generous support of the event's sponsors:

- **IBM**
- **Victorian Government**
- **Transurban / CityLink**
- **Victorian TDL Industry Round Table - Supply Chain Victoria**
- **Transport Certification Australia (TCA)**

We look forward to seeing you at **"Innovate Collaborate 2006"** on Monday, 9th October 2006. Come and be inspired!!

Regards,

Philip Lovel, CEO, Victorian Transport Association (VTA)
