

### **Changes to AQIS staffing of Port Botany depots**

There are changes in the AQIS staffing of Port Botany depots following a review of inspection activity in May 2006. The changes outlined below will be effective as of **Monday August 7 2006**:

<b>Depot name:</b>	<b>AQIS span of hours Mon to Fri:</b>	<b>AQIS charging status:</b>
ANJ	0700 – 1600	Manned
Gregory Transport	0800 – 1200	Unmanned
Molineux Point (ACFS, ASA Logistics, VISA)	0700 – 1530	Unmanned
Patrick Logistics	0700-1800, one officer 1530–1800	Manned
P&O Bumborah Point/Trans	0700-1800, one officer 1530–1800	Manned
Tactical	0700-1800, one officer 1530–1800	Manned
Warehouse Solutions/Freight Central	0830 – 1000 & 1300 – 1500	Unmanned

There will also be a two month trial of imported foods inspections in the depots during August and September. A five hour timeslot every Tuesday will be available for importers with either a dual (quarantine/IFP) or imported food only inspection required. The participating depots will be: Patricks, P&O, Tactical and Warehouse Solutions. Please contact the depots directly for more information on the trial.

Overtime inspections are still available outside of the hours outlined above, but must be booked in advance against a specific AIMS entry. This must be organised in consultation with the relevant depot & the AQIS depot supervisors.

Please contact me on the details below with any queries on the above issues,

Claire McKee  
AQIS NSW Ports Manager
