## **1-STOP NOTICE: Outage Scheduled**

Dear Customers,

1-STOP will be performing hardware upgrades, scheduled for Sunday this weekend.

DATE: Sunday 22nd August

TIME: 9am

DURATION: 8 hours.

All services are affected, it is suggested that US Load lists are transmitted on Friday and PRA's submitted Fri/Sat with a returned ACCEPTED response to avoid any issues.

Any PRA's/messages received during the downtime (Sun 9am - 5pm) will be queued and processed once system operation is resumed.

If you have any queries or concerns please contact the 1-STOP helpdesk immediately for assistance.

Regards,

Helpdesk
