

**1-Stop Important Notice:
AAT Brisbane PRAs Mandatory from C.O.B. April 21st
2006**

Good Morning,

AAT Brisbane has announced a cut-off date for the use of paper ERAs at AAT Brisbane terminal. Electronic PRAs are mandatory for AAT Brisbane after Friday, April 21st. This is the final day for paper ERAs at AAT Brisbane.

For any software developers, the new code for AAT as previously announced is AATFI. Third Party software users should contact their software providers to ensure they're ready to submit PRAs to 1-Stop using this code. 1-Stop website users will not have to change any configuration.

AAT Brisbane will no longer accept paper ERAs after April 21st, 2006.

Thanks & Regards
