

## TSUNAMI RELIEF Industry Golf Day Brisbane 17 February 2005

Dear All,

Whilst we are aware that there has been a tremendous effort made in the wake of this terrible disaster it is important to keep things rolling as this will be a long haul in terms of re-building.

It is with this in mind that a coming together of some organisations to arrange a Barrier Clearance and Freight Forwarding Industry Golf Event with the proceeds to be donated to Save the Children Australia.

If you are able to assist in anyway such as entering a team or individuals, sponsor a hole, donate prizes for the day or whatever we will be most grateful.

See the attachment for details of the Day as you are invited to participate,.

We are working on getting sports personalities for the day and there is a great possibility that we can arrange a "golf clinic" prior to Tee Off with a high profile pro golfer. The raffle could be described as being a Jackpot as it is anticipated that there will be some great major prizes.

Further notices will be sent advising progress on this event.
