### **TO ALL SHIPPING LINE CLIENTS/CUSTOMERS/TRANSPORT CARRIERS**

#### **STOP WORK MEETING – TUESDAY, 13 JULY 2004.**

Please note an authorised stop work meeting will be held on Tuesday, 13 July 2004 for Patrick Port Botany MUA members to vote on the negotiated Certified Agreement document.

Negotiations between Patrick and the MUA involving teams of negotiators from the various ports around Australia have now been successfully completed. Lengthy talks have resulted in a document which will continue to facilitate improved flexibility whilst addressing the Union push for permanency.

It is expected ship, road and rail will all be affected during the period 0600 to 1400 but thereafter we are hopeful of a prompt resumption and minimum delays.

Because of this stoppage, import storage will be suspended until 0500 Wednesday, 14 July.

We apologise in advance for any inconvenience and will keep you updated on the outcome of the vote.

Regards

Brendan Bilston
