SUBJECT: PORT BOTANY TERMINAL DEVELOPMENT

Please be advised that Stage 2 of Phase 1 of our Port Botany Terminal development is now underway.

Part of this development is the pavement rebuild of an area adjacent to the quay line from the zero to the 150 metre mark for approximately ten (10) weeks.

We do not anticipate any disruption or delays to vessel berthing or the operation, but will keep you updated as works progress.

Regards

Brendan Bilston
