**TO ALL SHIPPING LINE CLIENTS/CUSTOMERS/TRANSPORT CARRIERS**

**SUBJECT: INTRODUCTION OF PRAs**

Further to our meeting with Shipping Australia this week and with reference to the Shipping Industry Initiative to replace the current paper ERA with the so called electronic PRA please be advised that from 1 September 2004 a documentation charge of \$50 (plus 10% GST) will be payable at our Port Botany Terminal for every **paper** ERA lodged.

This charge is levied in consultation with Shipping Australia and should be seen as a deterrent rather than a cost recovery. The charge is payable by the carrier on presentation of the paper ERA by **cheque** or on account as determined by the terminal.

Please note PRAs at this stage are only applicable to **full export** containers

This arrangement will continue until 1 November 2004 after which **only electronic** PRAs will be accepted at the terminal.

If you require any further clarification please contact the undersigned.
