

INTERNATIONAL AIR CARGO SECURITY AWARENESS

We have identified that there are an increasing number of transport operators who are becoming regulated agents (preferable to ensure the security chain is not broken). Whilst some of the individuals will require the full training program, other staff will be vehicle operators collecting goods from exporters and delivering them to regulated forwarders. These individuals will only require '**Awareness Training**' and AFIF has decided to create this module.

Therefore, AFIF will now be able to provide relevant staff of transport operators, who have become regulated under the DoTaRS program, with Awareness Training.

The International Air Cargo Security Awareness Course will cover:

- An overview of aviation security & regulations
- Customer personality and behaviour
- Role of the International Civil Aviation Organisation (ICAO)
- Security Clearance of Cargo
- Storage & Handling of Cargo
- Transportation of Cargo
- Security Identification

Who should attend?

Employees who have access to Security Cleared Cargo or documents such as warehouse staff, drivers and sales staff are provided with awareness training as per section 9.2 of the International Air Cargo Security Program.

NOTE: Not designed for people under section 9.1 i.e. this does not qualify staff to sign security documents or approve the inclusion of consignees in the list of regulated agents.

Cost

\$60.00 (GST Exempt)

Duration

3 Hours

Venue

PERTH	SYDNEY
DATE: Wednesday 22 nd October TIMES: 9.00AM – 12.00PM VENUE: To be Advised	DATE: Wednesday 29 th October TIMES: 10.00AM – 1.00PM VENUE: AFIF Suite 403, Level 3 152 Bunnerong Road EASTGARDENS NSW 2036 PH: 02 9314 3055

We also offer training at your premises as long as you have a suitable venue that offers comfort and privacy. This will enable you to have all your relevant employee trained in the one day. We can also tailor the course specific to your requirements. Each session is 2.5 hours with a minimum of 5 people in each session.

Would you please advise your transport organisations as this may also be appropriate for your warehouse and/or own company driver's.

The application form to apply for this course is attached. Should you require further information, please contact Simone Platt 02 9314 3055.
